NEW VETERAN CENTER PROGRAMS

Emergency Financial Assistance Emergency financial aid to veterans facing immediate financial crisis, including housing, utilities, medical bills, necessary home repairs, and other critical needs.

Case Management and Access to Resources Veteran individual needs and circumstances are assessed, and personalized plans are developed to ensure the veteran has access to resources that will improve their circumstances. With over 130 community partnerships established, we can connect the veteran to a wide range of support services.

Assistance Navigating Veterans Affairs (VA) Navigating the VA can be arduous for many veterans - many veterans are often not claiming benefits they are eligible for, including healthcare services, educational benefits, disability eligibility, and more.

Veteran Advocacy and Outreach ensuring veteran voices are heard and their needs addressed. We strive to raise awareness about challenges faced by veterans, and to build community relationships with partners that can provide additional veteran support.

Courtesy Transportation Courtesy shuttle rides for the veteran and their caregivers from Indian River County to the West Palm Beach VA medical center and local medical appointments.

Dear Veteran Supporter,

We thank you today, not only as steadfast supporters of our mission but as individuals who understand the true meaning of **service, sacrifice, and solidarity**. It is with great pride and excitement that we unveil our latest endeavor in support of Indian River County veterans and their families – the new **Veterans Council of IRC Veteran Center**.

Our mission remains unwavering: to support all Indian River County veterans and their families, while raising awareness of veteran needs and their significant contributions to our society.

The **NEW Veteran Center** is set to become the command center where we plan and execute our mission with increased efficiency and effectiveness. With additional personnel and improved resources, we aim to serve our veterans even better, ensuring they receive the support and assistance they rightfully deserve.

As we expand our services, we continue to uphold the highest standards of honor, integrity, and unwavering commitment to those who have served our nation.

We need your support, just as a unit relies on the camaraderie and trust of its comrades-in-arms. Your support can take various forms, all of which will be invaluable:

Financial Support: Your monetary contributions will fuel our programs, enabling us to provide more assistance and a wider range of services, from DIRECT AID and CASE MANAGEMENT to VETERAN ADVOCACY & OUTREACH and COURTESY TRANSPORTATION.

In-Kind Assistance: Donations of labor and materials for finishing the new veteran center such as interior and exterior painting, interior doors, bathroom renovation, etc. Your contributions will make a tangible difference in the lives of our veterans.

Our success depends on your support, and as members of our valued stakeholders and donors, we call on you to stand beside us in this noble endeavor. Your contribution will be more than an investment; it will be a testament to your dedication to those who have served our nation.

To pledge your support, contact us directly at 772.410.5820 or return the enclosed envelope. We stand ready to provide further information and answer any questions you may have.

Committed to serving veterans,

Cynthia Ryan
